"BALLET" is a brilliant document over the artistry of the group for the past few years, an unique mix of compositions and improvised parts. ENTR A's music has a very strong Scandinavian touch. ENTR A is the nordic light in contemporary music.

Live concerts recorded during a tour through Sweden in '96.

Thomas Gustafson: Saxophones. **Audun Kleive:** Drums **Harald Svensson:** Piano
Anders Jormin: Bass **Staffan Svensson:** Trumpet

Entra has been a leading innovator in modern Scandinavian jazz for several years. The group has, through its constantly evolving music, avoided being defined to any particular style. ENTR A has become a term in itself. The group has toured France, Belgium, the Netherlands, Austria and the former Soviet Union, but has during recent years only made a few public performances, mostly in Scandinavia. Entra's latest CD "In Concert" is recorded during a tour through Sweden in '96 and is a brilliant documentation showing consequent creative artistry of the group, a unique mix between composed music and improvisation - all with a significant nordic sound.
