

ICMC 2002 Göteborg

ICMC-International Computer Music Conference

ICMC 2002 was held in Göteborg this time. ICMC stands for International Computer Music Conference and started 1974 in USA and was held this year for the 28th time, each year on a new place in the world. Next year it will be held in Singapore.

LJRecords presents in cooperation with ICMC 2002 in Göteborg seven compositions on this CD. The music represents the latest developments internationally in electro acoustic music, computer music and live electronics. These compositions have been elected by a jury to be presented on this CD of ICMC 2002. And they are:
