

lars-erik norrström trio

The music on this fourth album released by the trio emanates from a symbiosis of Norrströms compositions and the free improvisations by the trio. It is marked by an intense, energetic and dynamic ensemble playing, with a great sense for nuances and for rapidly changing musical sceneries.

Lars-Erik Norrström is since 20 years a pianist and composer on professional basis. He has given performances as a member of different groups as well as solo recitals on jazz stages and jazz festivals in Sweden, Scandinavia, Europe and South-Africa. Lars-Erik has received judgements like "A blinding piano soloist", "Norrström is a brilliant composer", and "Lars-Erik Norrström impersonates the compromiseless artist". Earlier works by Lars-Erik Norrström are released on albums, commended by the critics, with the groups "Kejsaren", "ARP", "Corpo" and on his solo album "Let's take another dream".

Drummer Terje Sundby lives in Gothenburg, Sweden, working as a musician, composer, and teacher. He is an associate professor at the Conservatory of Inggesund as well as the "rhythmic" Conservatory of Ålborg, Denmark. Terje is represented with compositions and arrangements of his own on four CD-albums with the Swedish group "Corpo". He has since the age of 17 been performing in Scandinavia, Europe, and South-Africa playing with many different groups and jazz artists such as Palle Danielsson, Anders Jormin, Joakim Milder, Thomas Stanko, Lennart Åberg, Anders Bergcrantz, Lina Nyberg, Jim Beard.

Electric Bass player Owe Almgren got his education at the Conservatory of Gothenburg where he graduated in 1994. He has since then been active as a freelance R&B & HipHop musician, composer, teacher and arranger. Owe has arranged music for "Bohuslän Big Band", as well as for the swedish singer Claes Jansson, he has played with Jojje Wadenius, "TG Evil Orchestra" and the duo "Bastu" together with Yasuhito Mori, Jim Beard, to mention a few. He is also currently working in a duo with singer Karin Burman.
