

## *Sudden Meeting* LJRecords LJCD5257

**Susanna Lindeborg** kb, electronics

**Ove Johansson** tenorsax, EWI, electronics

**Thomas Fanto** bass, electronics

**Michael Andersson** drums, perc, electronics

This is a *sudden meeting* with four musicians from the westcoast of Sweden. The musicians were collaborating on and off in the 80th, but has had separate careers since then. Now a sudden meeting again several years later led to find that a lot has happened - a lot of new ideas and sounds have emerged, each one has developed new skills - and some very interesting music came to birth.

The meeting was recorded - three sessions, which were totally improvised - and led to this doubleCD, which features the three sessions as a whole, but divided into shorter chapters. Best is to listen to one session after the other as a whole, but could be enjoyed as shorter parts as well.

**Susanna Lindeborg** and **Ove Johansson** are mostly known from their international career both in Europe, North and South America and China with the group MWENDO DAWA. They also form a duo, do solo performances and are a part of the group Natural Artefacts. All of these with several interesting CD releases.
